Implant 201 - Immediate Extraction
Hands-On Implant Placement Seminar
October 6-7, 2017
For Doctors

18 hours of CE
Implant 201 - Immediate Extraction Hands-On Implant Placement Seminar

Dr. Seth Kimmelman will start by teaching the principles of atraumatic extraction and Guided Bone Regeneration (GBR). Guiding you through case selection and the surgical process of immediate implant placement (in the anterior and the posterior), he will teach you when to immediately load and the restorative components involved with the process. During the hands-on surgical part of the course you will be able to place an implant for your pre-selected patient providing you with an unprecedented one-on-one education and discussion that you can take back and apply in your practice. Participants will leave with the knowledge to be able to tackle immediate implant dentistry, GBR, and provisionals.

Course Objectives:
- Learn treatment planning for immediates, fixed and removable prosthesis, multiples, etc.
- Analyze established decision making for surgical techniques
- Understand proven extraction and grafting techniques
- Analyze how to treat bony defects, and GBR
- Learn CT guided surgery for immediates to reduce complications
- Anatomy review for treatment planning and surgery
- Understand and experience the most advanced non-invasive implant placement techniques
- Discuss pharmacology and emergency procedures
- Surgical and prosthetic treatment planning
- Advanced surgical principles: suturing, incisions, flap design, etc.
- Surgical complications

Register Today

1. Complete and mail registration form with $1,700 check to Argon Medical USA, Attn: Anne Weiler, 1000 Corporate Drive, PO Box 770, Marshfield, WI 54449 or pay by credit card and contact us at 1.800.995.0626.

2. All attending doctors are encouraged to bring a patient to the hands-on surgery portion of the seminar, although it is not required. If you would like to bring a patient to the surgery, we will e-mail a doctor checklist. Please select your patient based on the established surgery criteria detailed in the checklist.

About Us: We are a full-service dental laboratory, offering implant systems like Argon K3 Pro, Implant Solutions CT guided surgery and Dental Crafters restorations. With a combined experience of 34+ years, our family owned companies are committed to the dentists and the patients they serve.

Cancellation Policy: A refund, less a $100 administration fee, will be issued if the cancellation is received one week prior to the seminar date. Cancellations received during the week of the seminar are not refunded.

Continuing Education Credits: Dental Crafters designates these seminar activities for 18 hours of continuing education credits. Dental Crafters, Inc. is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp • Dental Crafters • 1000 Corporate Drive • PO Box 770 • Marshfield, WI 54449 • Phone 1.800.472.8302 • www.dentalcrafters.net
